As we celebrate the Crystal anniversary of the Center's Celebrity Chefs Food Tasting and Auction, discovering abilities and building independence, we invite you to participate in our **Seventeen Annual Celebrity Chefs food tasting event**. Last year's event was a phenomenal success. Net proceeds in excess of \$350,000 were made possible by your commitment to caring. With your help, we anticipate that we will exceed last year's number and go over the \$500,000 mark.

On **Friday, September 24th 2010**, we will hold the event at the **Seminole Hard Rock Hotel and Casino**, and it is our hope that you will be there with us. Remember this is a **NO CHARGE to participate** event as well an amazing opportunity for you to present your restaurant to the 600+ guests participating that evening; as well as recognition of newspaper features and other publications pre and post event. We will be contacting you shortly to seek your assistance and confirm your participation in this world class event which supports the programs and services provided to the children and adults served by the Ann Storck Center.

This year has been particularly difficult for the Center as we face major cutbacks in funding for the programs and services, so essential to the well being of those who depend on them. However, in spite of this cuts, we must not compromise the care provided to those who depend on us.

I look forward to your positive response to this invitation. I am personally grateful for your support and on behalf of the children and adults that we serve, I thank you for considering the Ann Storck Center to be a place where your love is well spent.

Sincerely,

James J. McGuire
