FAMILY STRENGTHENING PROGRAM

FOR PARENTS AND CHILDREN BIRTH TO 12 YEARS OLD

The Ann Storck Family Strengthening Program focuses on families who have children with special needs. Through learning effective parenting skills to support child development and improve behavior the goal is to strengthen families by developing and maintaining stable family relationships. In order to accomplish this, the Ann Storck Center utilizes the evidenced based, nationally recognized Nurturing Parenting Program.

Services include:

-  Intensive in-home services
-  Group Sessions
