

# ASC Weekend Respite

## Take a Break.

Ann Storck Center is excited to introduce a new center based Weekend Respite Program for families of children with special needs. Respite provides parents and caregivers a much-needed pause to recharge, while ensuring children are supported in a safe and nurturing environment. The program is available to children ages 3 to 17 and will be offered on Fridays from 6pm to 10pm and Saturdays from 9am to 3pm.

Activity Enrichment

Music & Movement by  
occupational/Physical Therapists

Social Skills Group led by  
Speech Therapists

Behavior Support

This program offers children the chance to work on developmental & socio-emotional skills in a structured environment. Participants must be able to function in a 1:4 ratio.
