Ann Storck Center is thrilled to invite you to participate in our third annual ALL HEART 5K on Saturday, August 26, 2023 at Vista View Park in Davie, Florida.

Our driving force and goal lies in our mission to enrich the lives of children and adults with developmental disabilities – discovering abilities and building independence. This takes a whole lotta heart – and we can't do it without loyal partners like you!

We are Ann Storck and are ALL HEART. And we know you are too!

Whether you walk, run or just want to have fun, this event offers groups, organizations, companies, individuals and families a morning wrapped in heart-filled excitement and competition!

OUR MISSION/STORY

Ann Storck Center is dedicated to enriching the lives of children and adults with developmental disabilities. The mission throughout all our programs and services is to discover ability and build independence so that our individuals live happier, more independent, fulfilling lives.

This takes a whole lot of heart – from our dedicated staff and amazing families to our outstanding leadership, loyal partners, generous supporters and most of all the children and adults we serve daily.

Ann Storck Center is more than a place to care for and assist individuals of all ages with developmental disabilities. It is a thriving community. The center accommodates 96 permanent residents and serves more than 300 clients daily through an array of critical care, learning and ability focused programs across two distinct campuses in Fort Lauderdale and Pembroke Pines. **We are the oldest non-profit in Broward County to serve this vulnerable population.**
